INVITATION

The organizing committee of Cachar Cancer Hospital and Research Centre extend a warm invitation to the DHR DIAMONDS NATIONAL CONFERENCE cum workshop with theme **“ONCO-PATHOLOGY with insights in MOLECULAR DIAGNOSTICS “**

About DHR DIAMONDS National Conference Cum Workshop On Oncopathology With Insight In Molecular Diagnosis:

This Conference cum Workshop is being held with the sole purpose of interfacing Indian researchers with experts in “Advanced Molecular Investigations” for patients suffering from Cancer as well as at risk stratification. The scientific sessions include lectures, demonstration, panel discussions and oral presentation. It is being held at Cachar Cancer Hospital and Research Centre, Silchar, Assam, India with the focus on “Oncopathology with Insight In Molecular Diagnosis”.

About DHR-ICMR:

DHR ICMR Advanced Molecular Oncology Diagnostics Services (DIAMONDS) is introducing a few valuable “Advanced Molecular Investigations” for patients suffering from Cancer as well as at risk stratification. Molecular investigations are very expensive and DIAMONDS is providing these investigations at no cost for the benefit of cancer patients. For every patient would further expand the horizon of equitable, accessible and affordable cancer care in our country.

About the Institute:

CCHRC is a comprehensive cancer care facility located in the outskirts of Silchar town in the Barak Valley of Assam, India. The hospital is administered by The Cachar Cancer Hospital Society, a not-for-profit NGO. Nearly 80% of our patients are daily wage workers, agricultural and tea garden labourers and nearly 75% are treated for free or at subsidised charges. Cachar Cancer Hospital and Research Centre the renowned organizations those are conducting these kinds of advanced molecular investigations.

About Silchar:

Silchar is the site of the world's first polo club and the first competitive polo match. In 1985, an Air India flight from Kolkata to Silchar became the world's first all-women crew flight. Nobel Laureate Dr. Ronal Ross lab, where he conducted his study that lead to the discovery of the malarial parasite is located at Labuk Hospital, Labuk Tea State that is 1hr journey from Silchar town.
